

Take Action with Federal Healthcare Reform

05/14/2009

Volume. 1 Issue. 6

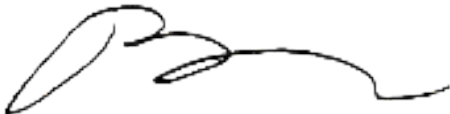

Staying on top of federal and state legislation reform is crucial to being a well-informed benefits advisor. BenefitMall would like to remind you of the importance of being involved with the participation of healthcare reform. Your participation will help ensure the future of our industry.

The National Association of Health Underwriters (NAHU) has released a [communication](#) discussing the importance of making sure President Obama and Congress understand the role that Agents, Brokers and Consultants play in helping serve American healthcare consumers.

BenefitMall asks you to speak your voice by contacting your local Senators and Congressmen.

For more information or to find out how to get involved with healthcare reform, contact your local BenefitMall Sales Team.

Sincerely,

Bernard DiFiore
President and Chief Executive Officer
