

Legislative Alert: NAHU Grassroots Campaign

06/04/2009

Volume. 1 Issue. 7

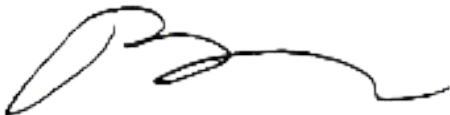

BenefitMall would like to inform you that the National Association of Health Underwriters (NAHU) is continuing its grassroots campaign. The campaign focuses on opposing a government-run public plan, while stressing the importance of health insurance agents, brokers and consultants.

NAHU is asking for personalized letters to be sent to members of Congress. NAHU is encouraging all members to begin faxing their letters instead of emailing them. The fax will allow you to include your company letterhead, contact information and personal signature.

NAHU has provided a [Letter to Congress](#) that can be easily formatted. A [letter](#) has been created for those who wish to ask their clients to send in as well. For contact information of your members of Congress, [click here](#).

For more information, visit www.nahu.org or contact your local BenefitMall Sales Team.

Sincerely,

Bernard DiFiore
President and Chief Executive Officer
