In our continuous efforts to keep you updated on the most recent changes and additions to the American Recovery and Reinvestment Act of 2009 (ARRA) Stimulus Bill, BenefitMall brings you resources useful to both you and your clients.

One resource that you may find particularly useful is the Department of Labor (DOL) website. At www.dol.gov/cobra, you will find information regarding the latest changes and additions to the stimulus bill, fact sheets, webcasts, news releases and other general information.

The following two links found on the DOL website, provide useful and effective COBRA information targeted toward employers and employees.

- [COBRA FAQ's for Employers](#) providing ARRA notice requirements, employer reimbursement and overpayment conflicts.
- [COBRA FAQ's for Employees](#) providing general facts – plan details, eligibility, claims, length of coverage and much more.

It is important to us that you fully understand these ongoing healthcare changes in order to effectively communicate to your clients. Therefore, sending updates in a timely manner is our top priority, so be on the look out for further communications. If you have any questions, please contact your local BenefitMall Sales Team.
